

JKO-NIPR

Joint Knowledge Online on the military unclassified site (JKO-NIPR) provides access to unclassified, FOUO, high interest and mandatory joint training courses and curriculums, as well as learning continuum resources including customized communities of interest, doctrine, publications, lessons learned, and news sources. It is the authoritative online source for relevant, operationally focused joint training specifically tailored for individuals preparing for Joint Task Force assignment, collective training exercises, and deployment to joint areas of operation.

JKO-NIPR Portal access is administered at <http://jko.jten.mil>. Individuals can access the JKO courses directly with a Common Access Card (CAC) or login and password by going directly to <https://jkodirect.jten.mil>.

GETTING STARTED:

1. **Establish a JKO account** by entering <https://jkodirect.jten.mil> in your browser and selecting CAC login. Non-CAC users need to follow login and password instructions provided on the page. You will be prompted to create your 'User Profile'.
2. **Create 'User Profile'** by completing all required fields (pay close attention to these three fields below):
 - A. User Name – enter user name of choice. This is one of the unique identifiers we need for your account (the system defaults to a numeric user name if you do not choose).
 - B. Primary Organization – for reporting reasons it is important your JKO 'User Profile' correctly reflects your Primary Organization. **"Select Primary Organization"**, then click on the black arrow beside the "(JKO) – Joint Knowledge Online" folder to reveal organizations. Expand the appropriate folder by clicking the black arrow beside it and continue expanding the organization structure to lowest level available to select the organization where you work. Once it's highlighted, select **"Select Organization"** button at the bottom of the page to record your organization.
 - C. Email Address – Enter the email address you would like all JKO training notifications to be sent.
3. For questions please contact the JKO Help Desk at 757-203-5654 or jkohelpdesk@jten.mil.

JKO

Joint Knowledge Online is the DOD unique and authoritative distributed learning capability that delivers global, 24/7 access to Web-based, immersive, interactive training and joint learning resources. It is the OSD sponsored Joint Staff system of record for joint mandatory training.

The JKO Portal provides access to wide-ranging learning resources including Joint Professional Development Seminars, video library, communities of interest and training courses. Joint training courses are administered and tracked by the JKO Learning Content Management System (LCMS). JKO training content prepares individuals for joint exercises and joint operations.

JKO access is delivered on three networks: military unclassified (JKO-NIPR), military classified (JKO-SIPR) and internet public access (JKO-IP). All portals provide access to the JKO LCMS that administers DOD-wide training tracking and reporting. Course status and completions are recorded in the LCMS so that students and training managers can manage their unique training requirements and completion records.

JKO Division

The JKO Division is the organization within DD J7 Joint and Coalition Warfighting responsible for all aspects of fielding, maintaining and managing this capability.
